Ski Callaghan Activities

Cross Country Skiing

Whether exploring for the first time or training for a race, Ski Callaghan offers all levels of trail ski for both skiers and classic skiers.

Downhill Skiing

Kilograms offers two downhill ski trails with names, on the destination ski, warming and working on both trails. These trails are significant as either back or downhill and offer great views on the course. In addition, certain areas have been designated as downhill areas. These designated areas are the only place within Ski Callaghan where dogs are permitted for the safety and enjoyment of all visitors. For more information, please see the following table.

Notes for Dogs and their Owners

1. All dogs brought into Ski Callaghan require a season or day dog tag attached to their collar.
2. All dogs must be walked before or after the dog-friendly parking areas.
3. Gates are open to the public during the season.
4. Dogs are under the control of their owner at all times while in the Park.
5. Owners are required to bag and remove all dog waste from the trail and parking lots.
6. All dogs are required to be leashed and removed from the trail and parking area.
7. All dogs must be walked before or after the dog-friendly parking areas.
8. Gates are open to the public during the season.
9. Dogs are under the control of their owner at all times while in the Park.

Cross Country Responsibility Code

The points listed in the Cross Country Responsibility Code are the “rules of the road” when you are riding at Ski Callaghan. Please ride carefully and considerate and be a good neighbor to other trail users. The following points are the key considerations for cross-country skiing at Ski Callaghan. This code is intended to protect the environment, to ensure safety for all trail users, and to provide a better riding experience for all.

1. Always check trail conditions.
2. Keep left on downhill and steep sections of the trail.
3. Always stop on the side of the trail when crossing a water feature or stream.
4. Do not ride on frozen snow or snow-covered trails.
5. Stay on the trail and follow the designated route.
6. Respect the trail and all its users.
7. Keep your dog on a leash or in control at all times.
8. Keep this code – be a safety conscious cross-country skier.
