Visa Travelling Tips

Purchase your travel tickets using your Visa card.

If tickets are lost, or your trip is cancelled, you'll have the Visa receipt as proof of purchase.

Make a copy of everything in your wallet.

Keep a record of your credit card account numbers and their corresponding telephone numbers for reporting lost or stolen cards in a safe place, separate from your actual cards.

Check your cards.

Know the expiry dates, account balance and amount of credit available to you. By doing this, you won't be caught short with a card that expires while you're away, or not have enough credit to cover your trip expenses.
