# welcome you!

Located in the spectacular Coast Mountains of British Columbia, just two hours from Vancouver, Whistler is Canada's premier, year-round resort destination.

Here, every season calls you outdoors. Whistler's impressive dual mountains surrounded by pristine valleys and lakes offer unparalleled skiing and snowboarding in winter, championship golf and exhilarating mountain biking in the summer, and a bounty of other activities throughout the year. The mountains blend seamlessly with the charming, pedestrian-only Whistler Village. Here, you'll find everything you need to refuel: shops, spas, restaurants, nightlife and a full range of accommodations.

Ride the world record-setting, PEAK 2 PEAK Gondola towards exhilarating adventures within Whistler and Blackcomb Mountains' high alpine regions — vast skiing and riding possibilities in the winter and unprecedented sightseeing and hiking access in the summer.

## Visa travelling tips

1

### Purchase your travel tickets using your *Visa* card.

If tickets are lost, or if your trip is cancelled, you'll have the *Visa* receipt as proof of purchase.

2

### Make a copy of everything in your wallet.

Keep a record of your credit card account numbers and their corresponding telephone numbers for reporting lost or stolen cards in a safe place, separate from your actual cards.

3

### Check your cards.

Know the expiry dates, account balance and amount of credit available to you. By doing this, you won't be caught short with a card that expires while you're away, or not have enough credit to cover your trip expenses.
