Whistler’s Path Towards Accessibility and Inclusion

Whistler: A place where our community thrives, nature is protected and guests are inspired. As one of the results of preparing for the 2010 Olympic and Paralympic Winter Games, the Resort Municipality of Whistler (RMOW) began the process of developing an accessibility strategy and action plan that encompasses much more than a focus on just physical change to the environment, but also on inclusion.

www.whistler.ca/accessibility - For the most up to date information on accessibility and inclusion in Whistler.

www.whistler.ca/OCP The Official Community Plan (OCP) is the RMOW’s most important guiding document that sets long-term community direction.

These other websites and service providers are independent organizations from the RMOW.

www.whistlerblackcomb.com - All information pertaining to accessibility of facilities and skiing/riding Whistler Blackcomb can be found by clicking on the Accessibility tab on the Guest Services page.

www.whistleradaptive.com - The Whistler Adaptive Sports Program is a not-for-profit society that provides year-round, recreational programs for people of all ages with disabilities.

Convenient PayByPhone Option

Here’s how it works...
